

How to enter a swim meet

Before you start:

- Get the meet flyer and check the **deadline** as no late entries are accepted. You can find meet flyers on the SCWC website season calendar or follow the steps below and you can access the flyer for the meet you are entering at Step 4.
<https://canterbury.swimming.org.nz/season-calendar.html>
- Check the schedule and **aim to enter 2-3 events** per session. Be careful about entering events that are back to back, it's best to allow some recovery time between each event.
- Choose **different strokes and different distances** – it's a good idea to discuss this with your coach beforehand if you're not sure.
- Remember to **make a note of what events** you've entered so you know what you're competing in when you get to the swim meet.
- On race day arrive **30minutes BEFORE** warmup for dryland with the team.
- If you need to **withdraw** from the meet you need to do that directly with the meet organiser – check the flyer as their contact details will be on there. Also copy in the club email vikingsswimclub@xtra.co.nz so we know as well. During the swim meet, if you need to withdraw, you need to contact the team manager and ask them to 'scratch' your swimmer.
